Who: **YGRC Field Class & YGRC Club Members**

Where: **West Thompson, CT**

Time: beginning at 8:00 AM - running all day

Cost: \$18.00 per duck (Water and Land flyer)

**Prepayment and entry form is due by Saturday, April 20<sup>th</sup>.**

Entries received after the April 20 deadline will not be accepted.

We need to honor our deadline for ordering birds.

### Other Training Information

- Please bring your own lunch/drinks/chairs/shade/sunblock & water for dogs.
- The club will provide all that is needed for a test setup: blinds, birds, handler gun and decoys
- ALL PARTICIPANTS SHOULD PLAN TO STAY FOR THE DAY SO WE CAN ROTATE WORKERS. EVERYONE WILL HAVE AMPLE TIME TO AIR AND RUN THEIR DOGS. There will be a predetermined running order and working order. Abilities of dogs/handlers will be mixed so that everyone can help one another and have the benefit of seeing more advanced dogs work.
- The birds will be ordered in advance so all entries must be made by the deadline. There will be no exceptions. No day of event entries.
- Shot birds that you pay for are yours to keep so please remember to bring something to wrap them in for the ride home.
- In order to keep the day flowing, multiple flyers per dog will not be offered this year. Only two flyers per dog...one land/one water; two on land, or two on water. Ducks will be used on land and on water.
- No bitches in season
- Non YGRC members may only run dog/s who are entered in the field classes.
- Just a reminder: this is not a training day. It is a day for experience with shot flyers. We will certainly help and encourage inexperienced dogs and handlers, but it is not a day to teach your dog to swim or mark a bird.
